Kate Wright - President's Update

- Budget Review:
 - Membership level changes:
 - Historically have been tiered levels (Basic-\$20, White-\$100, Gray-\$250, Blue-\$500) with incentives for higher levels being additional entries into the auction to win a Kindle Fire
 - Issue has been that new parents join at higher levels, then October fundraising rolls around and they are asked again for donations
 - The PTO is going into the 2023-24 school year with a strong cushion in savings, so this is a good year to test having only one membership level, \$20 (teachers/administration will remain at \$10)
 - We had 160 family memberships last year, hope to get to 200 this year
 - Layered in attendance incentives - \$1k
 - Popcorn/Snow Cone party for everybody that meets these goals
 - Layered in Curriculum Night
 - To encourage teachers to stay after school
- Budget Vote
 - Budget was unanimously approved!!

- Send website updates to Stacey
